Product information

Direct train service from Ljubljana KT to Munich and v.v.

- With the “Adria Express “Adria kombi, in collaboration with Kombiverkehr, is offering a direct train service in combined transport from Munich to Slovenia, Croatia, Serbia, Macedonia, Bosnia and Herzegovina. This route integrates the Ljubljana–Munich line into Kombiverkehr's block train network all over Germany and Benelux.

Key advantages:

- Numerous connections to and from Germany and the Benelux states
- Continuous every second day connection with a journey time of 1 to 2 days,
- depending on destination terminal
- Safe and reliable transport line for your cargo
- Tracking&Tracing over CESAR System
- Status Reports on e-mail or SMS if required
